SECTION A assumptions

Q1.

Ans Axioms and postulates are the axioms which are obvious universal truths.

Q2

Every natural no. is a whole no. yes this statement true as natural no. contain nos. 1 to  $\infty$  and whole nos. contains nos. from 0 to  $\infty$  so the natural no. are included in them

Q3.  
Ans

~~0.8~~

$$\begin{array}{r} 0.8 \\ 8 \overline{) 70000000} \\ \underline{64} \phantom{000000} \\ 600 \phantom{0000} \end{array}$$
